INTERNATIONAL SOCIETY FOR ELECTROSMOG-RESEARCH IGEF
INTERNATIONALE GESELLSCHAFT FÜR ELEKTROSMOG - FORSCHUNG
IGEF CERTIFICATION CENTRE

CERTIFICATE

The test results in the expertise of the IGEF test laboratory confirm, that the

PXD MobiChip

made by the company PXD SYSTEM, Leninova 79/1, 1000 Skopje, Macedonia
is suitable to protect from the biological effects of electrosmog.

The PXD MobiChip fulfills the requirements of the
International Society for Electrosmog-Research IGEF and for that reason
is honored to be awarded by the IGEF certification seal.

**Certificated and recommended
by the IGEF**

7. June 2007
